DRIVING DIRECTIONS

From Interstate 5: Take the N.E. 45th Street Exit (Exit # 169), located north of downtown Seattle. Head east at the end of the exit ramp onto NE 45th Street for half a mile and turn right onto 15th Avenue NE. Take 15th Avenue NE all the way down to the water (stay in the right lane to avoid turning left onto Pacific Avenue). Once you cross Pacific Street, 15th Avenue NE curves to the left, and brings you to the South Campus parking gatehouse entrance. The Portage Bay Building is located at the far end of the S02 parking lot (middle level of the parking garage), just south of the lot.

From State Route 520: Take the Montlake Boulevard Exit and head north across the Montlake bridge. Just after you cross the bridge, turn left onto NE Pacific Street and drive past the UW Medical Center (on your left). Turn left onto 15th Avenue NE and continue as it curves left, until you get to the South Campus parking gatehouse entrance. The Portage Bay Building is located at the far end of the S02 parking lot (middle level of the parking garage), just south of the lot.

ENTERING THE PORTAGE BAY BUILDING

The Portage Bay Building is a red brick (two ends) and gray (center) building just south of the South Campus Garage. I-LABS is located on the east wing of the building. If you are facing south, towards the lake and away from the UW Medical Center, I-LABS is on the left end of the building.

PARKING INFORMATION

If you have pre-arranged parking with I-LABS, an I-LABS representative will be in touch with specific parking instructions. For parking rates and all other parking needs, refer to the [UW Transportation Services](#) page. The closest UW parking garage is the South Campus Garage. S01, or the top level only of the parking structure is a self-serve lot that accepts payment through a self-serve pay machine or the PayByPhone app. S02, or the middle level only of the parking structure is a permit only lot that accepts payment through the [South Gatehouse](#) located on NE Columbia Road.
